

Fall Care-a-Thon, Nov. 29-Dec. 2

Surrender: Giving our lives to God

Many of us know that when we try to do life our way things seem to fall apart. When we give our lives over to God in every aspect, life seems to be bearable. Many of you know what I'm talking about as you are dealing with a terminal disease, cancer, achy joints from old age, or the hectic daily grind of motherhood and family life. When God is part of the mix, everything seems bearable, and we're willing to handle the hardships, heartaches and the joys that accompany living in this world. That's why the Board of Directors chose to use the theme "Surrender," for the fall care-a-thon. Jesus stretched out His arms on a cross, surrendering to His heavenly Father for our sins, so let's use this care-a-thon to surrender ourselves to Jesus.

To prepare for this care-a-thon, I worked on a budget for 2023. Since Divine Mercy Radio is putting a fifth station on the air, the budget for 2023 has increased. Thus, the care-a-thon goal must go up too — to \$125,000. Can you believe the station's projected budget for 2023 is \$420,918? Thus, I decided to go back and see how DMR did in the first year being on the air. DMR received its license in 2010. Broadcasting began December 20. We ended that first year with \$9,469 in the bank. Each year that ending balance has increased. Yes, we do have some debt — two loans from putting two stations on the air in 2020 — but they are being paid down due to your generosity. Thank you, family! God must be proud of all of you.

Once again the care-a-thon will be filled with fun times as there will be a different guest each hour and a new trivia question every 30 min. Prizes will be given throughout the day. In addition to being live on the air, DMR will be live on Facebook, YouTube, and hopefully Rumble. To stream on Rumble free of charge, DMR's account needs 100 followers. Please consider creating a Rumble account, search for Divine Mercy Radio, then click "follow" the station and "like" the posted video.

What we like about Rumble is that when a person creates an account, only people they want to follow will enter their feed, thus preventing unwanted solicitation and information.

As we prepare for this fall on-air care-a-thon, please keep these radio stations in prayer as it seems some technical thing always wants to glitch as we try to broadcast live. Thank you. The staff and volunteers look forward to hearing from you Nov. 29 through Dec. 2.
